PROFESSIONAL EXPERIENCE

Product Designer – “Munitxos” (microcatering)

2024 - 2026

Founder and manager of “Munitxos – Your pintxos in Munich” | Munich, (DE)

- Development of the business concept “We cook and celebrate for you”, a micro-catering service where users book dates, guests and themed menus via a dedicated web platform.
- End-to-end design of the digital experience: basic research, definition of value proposition, information architecture, booking flows and responsive UX/UI design.
- Responsible for branding, naming, content and product photography, integrating the project into a digital portfolio and validating the proposal through small-scale real-world events.

Frontend Developer & Digital Designer

2022 - 2024

Newsenses (Media Agency) | Munich, (DE)

- Web development and maintenance for corporate clients (SPIE/ROBUR) using Elementor (WP), REST APIs and compliant with GDPR.
- Management of email marketing campaigns, database migration and implementation of GA4 alongside UX/UI optimisation.
- Development of modular templates for SFMC (tested on Litmus) for GULP (Randstad), optimised for deliverability.
- Creation of multimedia content using AI tools, including video editing via scripts in AF and AP.

Digital Designer

2021

Fossil Group EMEA | Bavaria, (DE)

- Design of emails, landing pages and microsites for across EMEA (Fossil, Skagen, Armani, Diesel, Michael Kors).
- Campaign data management in Salesforce™ and Workfront.
- Adaptation of creative assets for display ads and social media.

Freelance UX/UI & Web Designer

2018 - 2021

Munich (DE) – Madrid (ES)

- Comprehensive design and implementation of online marketing campaigns.
- Creation of wireframes and prototypes for various .

Web & Email Designer / Frontend

2007 - 2017

RS Components | Madrid (ES) - London (UK)

- 2014–2017: Global Designer for UX testing and the roll-out of high-performance microsites (e.g. Arduino, Raspberry Pi).
- 2014: Agile CMS development and email automation using XML/XSLT for the UK and APAC/EMEA regions.
- 2007–2014: Development, maintenance and comprehensive optimisation of Iberia's websites (ES and PT) and email templates.
